

The 10 Best Airbnb Pools From Around The World

AIRBNB.COM

We don't know about you, but we *love* pools. Especially pools that we could theoretically swim in one day. And what better place to search pool porn than on [Airbnb](#)?

So, to further fuel our addiction, we trolled the rental site to find the best pools from around the world. From an infinity pool in Costa Rica to a pool in Thailand that you can actually eat in, we're already dreaming of our next vacation.
